

# Our Classroom Rules

By  
Mrs. McDowell's First  
Grade

We have rules in our  
classroom to:

Keep us safe

Help us learn

Take care of our  
friends and teachers

Take care of our school  
and classroom

Help us reach our hopes  
and dreams

Be kind, respectful and  
loving.

Keep our hands, feet, and  
bodies to ourselves.

Take care of our school  
and our classroom.

Take care of our friends  
and teachers.

Be safe.

Be a good listener.

We want to reach all of our hopes and dreams this year. We know we will not reach them without rules. We promise to do our very best to follow the classroom rules so that we can be safe, learn lots of new things, keep our school looking its best, and take care of our friends and teachers.
