

Math Superstars Manipulatives

Looking for a way to make problem solving come alive? Here are some math manipulatives that you may request to use with your small group on Thursday. Of course, feel free to bring in your own materials. To protect students with allergies, please do not bring in food.

- ★ **Unifex cubes:** useful for making patterns, solving addition and subtraction problems
- ★ **Hundreds Boards:** useful for counting by 1's, 2's, 5's, 10's, can also be used for solving addition and subtraction problems
- ★ **Geoboards:** useful for identifying and creating geometric shapes
- ★ **Dice:** great for practicing math facts, comparing numbers, playing math games
- ★ **T angrams:** helpful for learning about geometric shapes
- ★ **Pattern Blocks:** great for working with patterns, learning about shapes, or creating tessellations
- ★ **Math Counters;** useful for counting and solving addition and subtraction problems
- ★ **Mini-clocks:** useful for solving time related problems, counting by fives
- ★ **Rulers:** useful for measuring, can also be used as a number line for solving addition and subtraction problems or identifying number patterns
- ★ **Calculators:** useful for addition and subtraction problems
- ★ **Playing cards:** useful for playing addition and subtraction games or comparing greatest and least numbers
- ★ **Popsicle sticks, straws, rubber bands:** useful for counting by tens or working with place value

If you wish to request an item to use this week, please cut along the line and return the bottom half of this page to your child's teacher by Wednesday.

Math Manipulative Request Form

_____ would like to use the following materials for workshop:
(name)

<input type="checkbox"/> Unifex Cubes	<input type="checkbox"/> Hundreds Boards	<input type="checkbox"/> Pattern Blocks
<input type="checkbox"/> Math Counters	<input type="checkbox"/> T angrams	<input type="checkbox"/> Dice
<input type="checkbox"/> Calculators	<input type="checkbox"/> Rulers	<input type="checkbox"/> Geoboards
<input type="checkbox"/> Mini-clocks	<input type="checkbox"/> P laying cards	<input type="checkbox"/> Popsicle sticks
