

Welcome to

Dear First Grader,

Hi! My name is Mrs. McDowell and I will be your first grade teacher this year at Legacy Christian Academy. I am so excited that you will be a part of my class this year! I can't wait to meet you and start our year together.

I know you are going to love first grade. We will learn about things like animals, the human body, Native Americans, presidents, and so much more. We will also read interesting stories, solve challenging math problems, practice our handwriting, and write stories. This year, you will sit at your very own desk!

There is so much more to tell you about first grade, and I can't wait to see you on the first day of school. You can visit me and write me at our class website:

The website has lots of information about our classroom as well as lots of links where you and your family can work and play.

I look forward to seeing you very soon in our classroom!

Smiles and Laughter,
Mrs. McDowell

P.S. Attached to this letter is a fun project for you to complete with your family. Be sure to bring it with you on the first day of school!
